

Communication, Language, and Literacy Activity for 24 to 30 Months

Who's In There?

Materials:

- File folders
- Pictures
- Scissors
- Glue

What to do:

1. Glue a large picture of a familiar character inside a file folder.
2. Cut little doors in strategic places on the cover.
3. Let the child open the doors one at a time to reveal parts of the picture underneath. Have him guess who it is.
4. Provide some language: "Who could this be? Let's see. Yellow feathers! Who has yellow feathers? What is behind this door? Orange feet! Who do you think it is?"
